

CDA Skeet and Trap Newsletter - Vol 6

June 16, 2021

Kootenai County Update and Club Status

The airport wants to sell the property we occupy. The county commissioners are seeking an appraisal because of the environmental impact of our portion of the property. We will know more when that appraisal is completed. The club's board of directors is cautiously optimistic about the future of the club and obtaining a 25 year lease. If possible please let the [Kootenai County Commissioners](#) know what the club means to you.

We most recently have had a management change at the club. We have a manager in training. Kory Wagner. Please stop by and welcome him!

There are two interim positions open on the board of directors. If serving in this way interests you, please submit your resume to [Ed Wagner, President of the Board](#).

Club News

Well, believe it or not "[Winter League 2021](#)" is finally in the books!! Considering everything that we as a club have gone through and what the world has been enduring, we can consider it a success. We had 13 trap teams, 14 skeet teams and five 5Stand teams. A big hearty thank you to all the shooters that persevered and all the volunteers that helped so much. It would have never happened without our

faithful volunteers!! All of the final results have been posted to our website. [Click Here for Results](#)

Please look that up, congratulate the winners and if you have won something, please stop by the club as soon as possible and pick up your awards.

Winter League Banquet on June 19th has been cancelled. If you purchased tickets, you can get your refund at the club.

The club will be hosting [NSSA](#) (National Skeet Shooting Association) registered monthly targets.

Please come join us on June 19, July 3, July 17, August 7 and August 21. We will start at 9:00 a.m. You must be a current member of NSSA. Targets can be shot in any gauge. You may shoot either 50 or 100 targets. Costs are the regular round of skeet plus \$2 for 50 targets or \$4 for 100 targets.

If enough people show interest in this, we can continue through November Summer League 2021!!

This fun event will begin July 7th and go through August 15th. Summer league is a 6 week event and includes trap, skeet and five stand. You may shoot one discipline or all three. We'll be placing first through third in each discipline but no awards will be given out, only a hearty "well done!" The cost is \$10 which will cover the BBQ on August 21st at 5:00 p.m. This league is much more casual than Winter League. Its all about some summer shooting fun. Sign up at the front counter at the club!!

[Women On Target](#) sponsored by the NRA will be hosting two events at our club this summer. July 31st and August 28th. This event begins at 9:00 am and goes through noon. This is a fantastic event for women only. It introduces women who have never shot a shotgun before to the sport and it even caters to women who have experience

and just want to get better. It is a fun day of shooting and great support and fun. The cost is \$25 to reserve a spot.

If you have questions about [Women On Target](#), please contact Rhonda Harvitt at 208 659-7542
