WINTER LEAGUE

As incredible as it may seem, the end of Winter League is upon us! All team scores **MUST** be posted by Sunday, March 27, 2022 to be eligible for scoring and awards. Shoot-offs for final awards will be held Saturday, April 2nd starting at 9am sharp. Please be aware that any shooting not related to the shoot-offs will not be permitted. If you want to volunteer to help during this event, please contact Michelle Thurman at (208) 660-5518.

The Winter League Banquet is Coming Up!

Our annual banquet to celebrate Winter League is fast approaching and this year it's going to be better than ever! Of course, it is a fun way to share with other team members events of this season, friendly competition, enjoy some good food, laugh and joke. Also recognize the shared love of this sport and how fortunate we are to enjoy shooting sports in this area of the country. But the excitement doesn't stop there! There will be a grand total of **112 awards** presented! Banquet tickets will be sold through **Sunday, March 27th** which is also the last official day of Winter League. They are \$15 each. Our banquet will be held at the clubhouse on April 16th starting at 5pm. You won't want to miss the fun! If you are interested in helping with this special event, please contact Michelle Thurman at (208) 660-5518.

Our Volunteer for the Month of April is Greg Wrigley. Thank you, Greg, for everything you do for our Club! You are an invaluable part of our community. Enjoy your parking spot for April!

- **Attention NRA Members!** Please remember to vote for our very own Dwight Van Horn for renewal on the NRA National Board of Directors.
- The Idaho State Youth Championship will be held on our premises May 6-7, 2022.
- The Governor's Cup will be held on our premises September 8-10, 2022.
- Special plans for Summer League are in the works! Stay tuned to our newsletters and social media platforms for further updates.
- We will be **closed** on Easter Sunday (April 17, 2022).

**SPECIAL
THANKS**

We want to offer a special shout-out to Madison John at MJ Photography for providing all the photographs used in this and our previous two newsletters. Be sure to check out her other work on her Instagram handle: [mjphotography_nature](https://www.instagram.com/mjphotography_nature).
