

# COEUR D'ALENE Skeet & Trap Club May 2013 Newsletter

## CLUB NEWS

The spring session of the Scholastic Clay Target Program (SCTP) is well under way. Welcome to all of the students who are new to the club this season.

On Sunday, May 5th at 2pm, Sean Blake and his son, Garrett, will be shooting at 100 trap targets as a fundraising event for their Mission Trip to Huslia, AK. Sean and Garrett have been gathering pledges for this "Trap Shoot-A-Thon". There is a flier on the bulletin board if you'd like further information or to make a donation. As an added bonus, Jim Self has agreed to provide some half time entertainment and shoot at 25 targets blindfolded - this should be interesting! Come on out and cheer them on!

I know most of us are still recovering from winter league, but it's actually time to start forming a team for summer league. Starting on June 19th, this league will run for 6 weeks. Unlike winter league, your scores can be shot at any time during the six week duration. For 5 Stand, the first three scores must be posted by July 7th, and the last three scores by July 28th. Teams can have up to 6 members, with the best 4 scores being used to establish the weekly team scores. Team rosters must be turned in by July 7th.

The archery range is now open. Pricing is \$4.50 for members; \$6.50 for non-members. We'll be starting lessons in June, so if anyone is interested, please sign up at the club. We'd like to set up straw bales around the back of the range, so if anyone has any they'd be willing to donate, you can drop them off in the vicinity of the range and the staff will place them where they're needed. Please keep in mind that the archery range is a "work in progress". If you have any helpful suggestions to keep the range running smoothly, please do not hesitate to let me know.

John Shima will be here July 25th and 26th and offering clinics in both skeet and 5-stand. Half day clinic will be \$280 (includes targets) and full day clinic will be \$480 (includes targets). Deposit of 50% due by June 15th. These clinics fill up fast, so give the club a call if you'd like to reserve a spot.

If anyone has an extra recycling bin that they're not using, we'd love to use it at the club.

Lastly, thank you to everyone for the warm welcome. I'm excited to be here full time and am looking forward to developing more programs and events for our members to participate in. I look forward to hearing from you as to what events you'd like to see happening at the club.

Good Shooting,

Rhonda Harvitt
